

Please do not replace the K-Love signal with an LPFM!!!!The K-Love radio station in this area has been such a spiritually uplifting experience for all it's listeners, as the K-Love testimonies have proven. Personally, it has encouraged me to continue my walk with God and is the only radio station on the air that I don't have to worry about the language or content used. It's a family-friendly station that people of all ages enjoy! If it were to be replaced, there would be so many people missing out on God's word and the encouragement and love the radio station brings to all of it's listeners. Check it out yourself if you don't believe me! I think it's in the best interest of the public to continue the K-Love broadcast because it's the only 100% positive message out there. And who wouldn't want to be positively influenced these days? K-Love is guaranteed to uplift anyone, no matter where they are on their spiritual walk of life. Please do not take this away from us!
